"Dr. Galsworth's visual workplace approach is the premier technology for reducing chronic waste and infusing the production floor with meaning through an engaged, spirited and visually inventive workforce." *S. M., Parker Hannifin*

Our Visual Workplace Training Package is now available on DVD (with a Spanish subtitles option)

A comprehensive, self-standing video training system:

- Teaches your workforce the principles and tools of workplace visuality.
- Shows you how to convert your company into a visual work environment.
- Makes even a new trainer a capable trainer.
- Empowers your workforce—they implement their visual ideas quickly, independently, and completely.

"Using this DVD system, our plant achieved a \$15 million inventory reduction the first year. Even more important to us, we had a complete cultural change. People really began to participate."

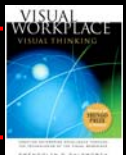

J. M., Motorola Cell Phone Division

Now successfully train and lead a visual conversion and lay your company's foundation for excellence.

- Establish a spirited, engaged and inventive workforce.
- Teach principles, concepts, tools and methods.
- Share over 40 interviews with managers, operators, and directors who talk about their experience in implementing visual Order.
- Share over 400 visual solutions and mini-systems.
- Share stories, innovative techniques & tons of examples from companies in the U.S., Canada and Mexico that have implemented the QMI approach.

Was: \$3600 Now: \$2,495 (+s/h)

Special Bonus When You Buy! Dr. Galsworth's award-winning book, *Visual Workplace-Visual Thinking*, Shingo Research Prize Recipient.

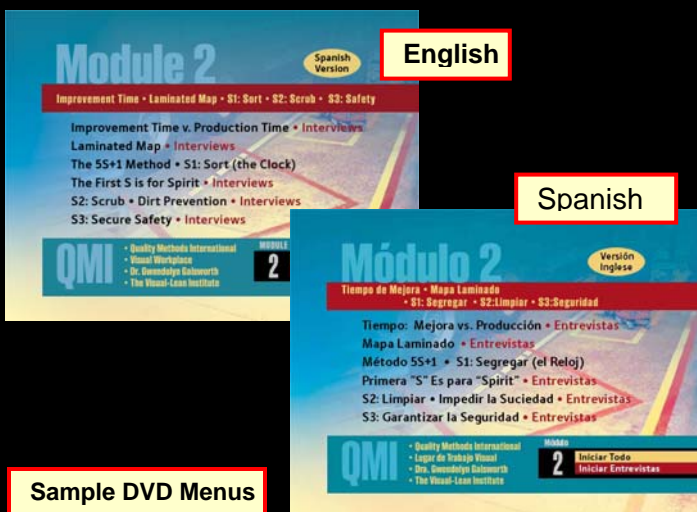

Whether you're well on your journey to excellence—or have yet to begin—our DVD training system provides powerful visual workplace tools and methods to ensure your growing visual success on the operator level.
