Gwendolyn Galsworth ***Interviewed by Brad Jeavons***

Brad Jeavons, the head of Enterprise Excellence network in Australia and an SAS partner, is a leading coach, trainer, and consultant. Mr. Jeavons is also a first-rate interviewer. In this session he and Gwendolyn have a conversation about her early research into workplace visuality, what she saw, what she learned, and how she developed a rich array of visual workplace technologies that are now taught all of the world.

You may be surprised when you learn how she got started, who her Sensei was in the 1980s, and her connection with the Russian Revolution of 1917 (no, she did not attend. But her father did.)

Join Brad and Gwendolyn for this engrossing exchange.
