

Respect and The Visual Workplace

Dr. Gwendolyn Galsworth, Visual Thinking Inc. & The Visual-Lean® Institute

Respect Every Individual has become an increasingly important guide for organizations to use on their journeys to cultural transformation and enterprise excellence. Indeed, many people just like you consider it more as a right than a principle and vital to the change process.

Where, why, and how does the visual workplace-visual management fit into this process?

Join us this online session when Gwendolyn Galsworth shares her response to this important question. Listen as Dr. Galsworth reveals the power of visibility to help people develop and create. Discover the link between human brain function and building a visual language of operational excellence in your own company. And do not exclude 5S!

You may be surprised when Gwendolyn pinpoints where she begins that building process and shares *The Six How-Tos* that are its foundation.

This is a practical and conceptual session with deep inspirational roots. In it, a leading visual expert shares her vision of employee empowerment and contribution that may well change your mind—and heart—about leadership and self-leadership and how to help cultivate those outcomes through visual workplace technologies.

Discover what so many other forward-thinking people realize: Visibility is the biggest growth opportunity their companies have experienced in a decade.
